Alma Mater Song

I

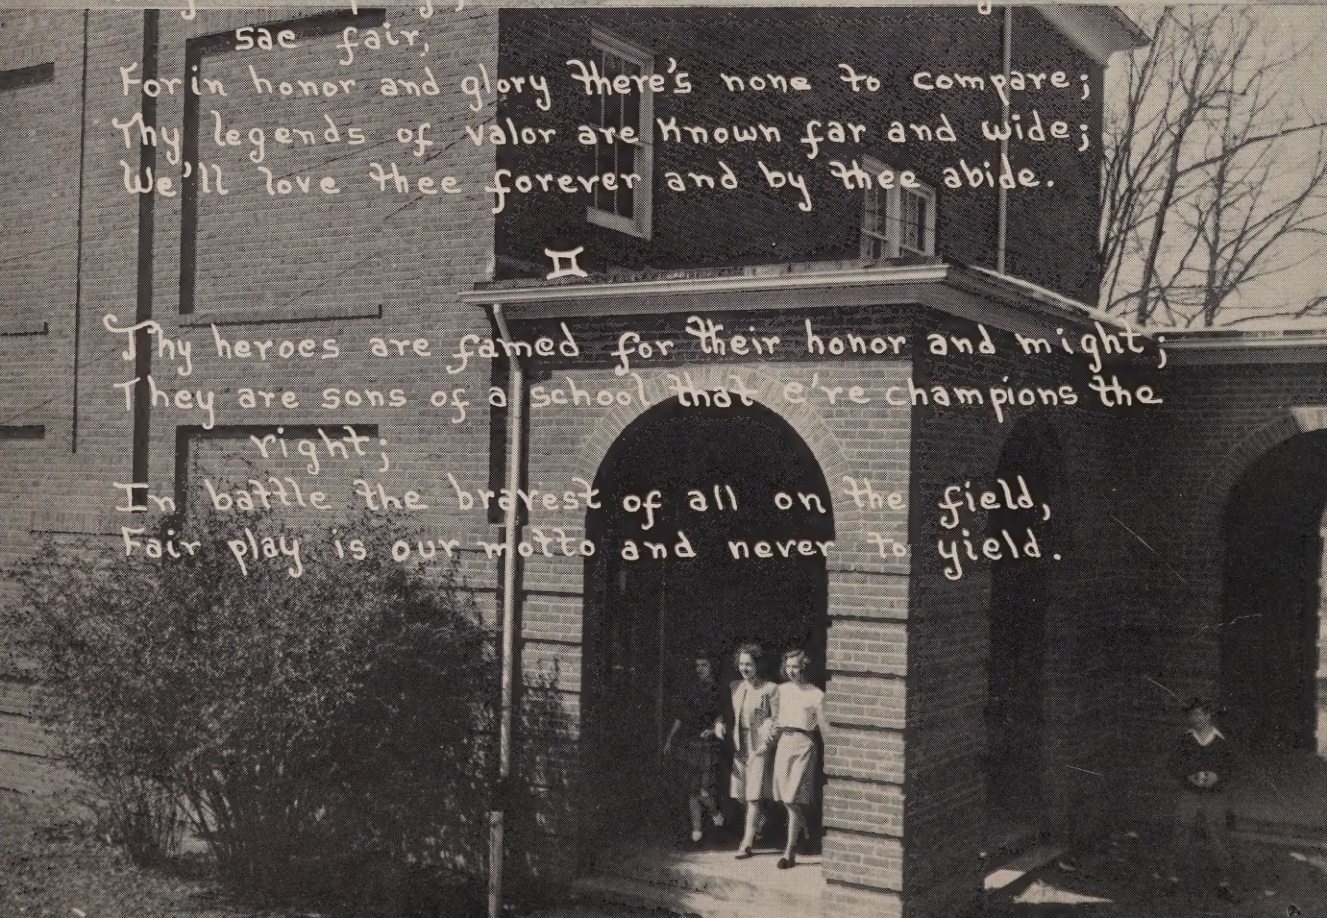

Each laddie and lassie lauds thee in his song;
Thy stories of valor urge them to stand strong.
Alma Mater, we'll remember the things that you've
taught;
They'll strengthen our courage to do what we ought.

CHORUS

Highland Springs, we will crown thee with garlands
sae fair,

For in honor and glory there's none to compare;
Thy legends of valor are known far and wide;
We'll love thee forever and by thee abide.

II

Thy heroes are famed for their honor and might;
They are sons of a school that e're champions the
right;

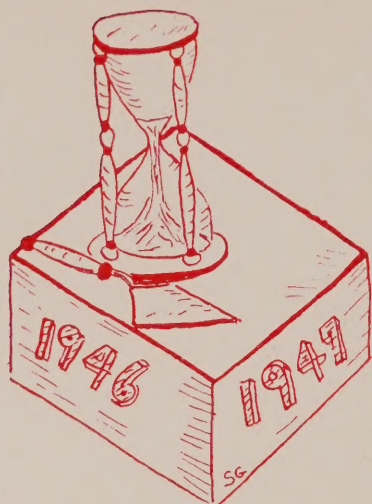

In battle the bravest of all on the field,
Fair play is our motto and never to yield.

Dedication

To the good true spirit that is here at Highland Springs, we dedicate this 1947 Highlander. It is a thing intangible yet lasting, which we shall take with us from Highland Springs to help us face the stark realities of life.

We, the Highlanders, hope we are not only a part of each brick and its mortar in our school, but something deeper—a part of the inward happiness, character, service and democratic living for which it stands.

In the land of heather, bonnie Scotland, the Highlanders have displayed themselves as one of the most hardy, thrifty, brave and warm-hearted races in the world. The Highland traditions are ever present at Highland Springs. May they linger forever and echo throughout our halls as they do in the little white-washed schoolhouse in a highland glen girded about with wild heather-clad ridges.

Foreword

Another year has passed in our endless cycle of time, a year which has brought to each of us something new and something different. For some it has held excitement; for some, mystery.

What has it meant for you?

In every passing day there has been something which will some day be dear to the memory of each of us. That is why we of the Senior Class have presented to you this 1947 "Highlander." In  it we have tried to capture some of the happiest moments of our school life. May it bring you the deepest pleasure now and in the years to come.

In Memoriam

TO THE MEMORY OF THE HEROIC ALUMNI OF HIGHLAND
SPRINGS HIGH SCHOOL WHO DIED DURING WORLD WAR II IN
PERFORMANCE OF THEIR DUTY

AND . . .

IN HONOR OF THOSE WHO SERVED THEIR COUNTRY AND RE-
TURNED TO WORK TOGETHER IN THE BEST INTEREST OF OUR
SCHOOL, STATE AND NATION, THIS PAGE IS RESPECTFULLY
DEDICATED.

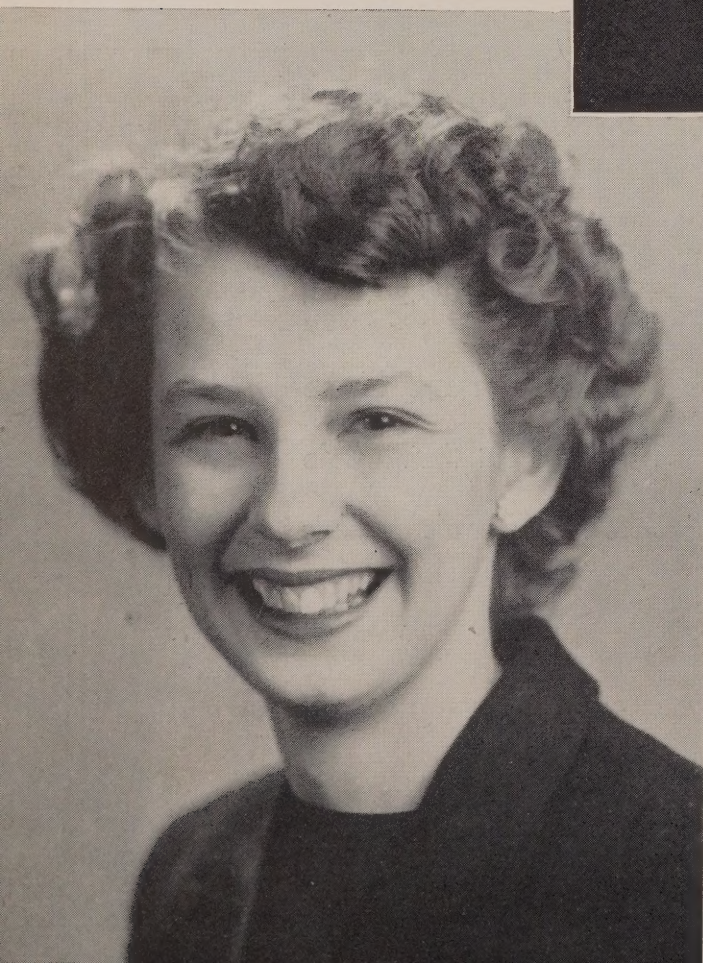

★ ★ ★ ★

No morning dawns or night returns that we do not remember those
who made great sacrifices for our country. Those who died and
those who returned took upon their shoulders a share of the
trouble and turmoil of the world, and poured out their whole
hearts and energy to help accomplish the many goals on life's
long journey.

MISS LUCY WARING

Ready always to listen to our problems and to give advice, Miss Waring, our Sponsor, has grown to be a valuable force to each of us. Graced with an unusual ability for understanding people and a deep appreciation for honest effort, she makes knowing her a pleasure. Without Miss Waring's cooperation, willingness and unselfishness in time spent, many of our aims would have been left unaccomplished. It was constantly shown to us that she wasn't just a helper, but a true friend.

MRS. ROSE HOWARD

There are no words which can fully express our deep appreciation to Mrs. Howard for her guidance and cooperation as co-sponsor of our Senior Class. Her sincere and understanding nature has been a constant inspiration to us. So we can only say, "Thank you, Mrs. Howard, for a job well done."

MR. J. IRVING BROOKS, M.A.
UNIVERSITY OF VIRGINIA

To one who has kept the flame of education burning brightly through many years and has ever been its worthy servant through peace and war, through happiness and sorrow, through trial, and strife and joy, we should like to quote the words, "Well done, good and faithful servant"; you are master of many things.

MR. JOSEPH ROTELLA, M.S.
UNIVERSITY OF RICHMOND

To each of us Mr. Rotella has presented in himself qualities of a worthy friendship.

Although this is his first year to serve as assistant principal of Highland Springs, we have recognized that his efficiency and gentleness of philosophy combined prove him to be a true leader of democratic education.

You'll always laugh when she's around;
 Nowhere can another like her be found;
 She's got personality like you've never seen before;
 To make others laugh is her delight galore.

EUGENE ASHLINE

Still water runs deep, we've heard it said,
 And that's Eugene at first sight.
 He doesn't say much, but when he does
 He knows that he is right.

CARLTON ATKINSON

Another member of "the gang,"
 A guy whose aim is fun;
 Carlton's kind of wittiness
 Is found in few, or none.

**JENEEN BAKER**

She always has a smile for you,
 No matter how gloomy life seems.
 She lights up your life like a light in the night;
 From her face it fairly beams.

ADLAI BARNETT

We think he's simply wonderful;
 He's the pet of the Senior Class,
 But if he had a choice of companions
 He'd surely pick a lass.

RANDY BARNETT

An all-'round good fellow
 Is the guy who's known as Randy;
 Whenever you need a friend
 He is sure to be handy.

**REGGIE BARNETT**

 Wherever fun is needed
 He is a welcome sight.

We all love sweet smiling Dot;

Our serious-minded Ray,
And we'll remember his cheerful help
For many and many a day.

He hasn't a care in the wide, wide world;
He says, "Why rack my brain?
There's plenty of time for everything,
So why race around like a train?"

She never looks tired and she never looks bored;
You'd think her energy would never run out,
But we know she'll go on without a doubt.

She makes the rest of us seem insane,

And much to make her cease,
And now that she's graduating,
You Juniors can have some peace.

Though Danny's liked well by us all,
He's sometimes awfully shy

Her grades are simply the cream,
And when it comes to personality,
Hers is a dream.

You'd never think that one so small
Could quite stand the strain.

Known for his loud shirts and for his corny wit,
No matter where he goes or whom he's with,
Hilton's always sure to make a hit.

SAM SWANSON

If we never laugh but just once more,
It will probably be at him;
When it comes to ever being morose,
His chances are quite slim.

ANN TAYLOR

Ann's so blonde and pretty
And so good-natured, too;
She'll always help you out
In anything you do.

Never in a hurry, but with her quiet way
She has made us her friends for life,
Though she hasn't much to say.

**BEVERLY WALKER**

She really likes to study;
To her it's just a game;
She's another of our class
Whose headed for future fame.

CHARLOTTE WALKER

She races around like a house afire,
And that girl is really a talker,
But she's always ready to lend a hand—
Everyone's friend, Charlotte Walker.

EMILY WESSELS

If you think Emily's quiet,
Then you don't know her well,
For beneath that seeming quiet,
There's a girl who's really swell.

LOUISE WEST

Louise will be remembered for those big blue eyes;
They looked like lakes in Paradise.
She'll also be remembered for her many ways,
As we look back on "The Golden Days."

ANNIE MAE WHITE

Though she's quiet
And a little shy,
She's still awfully sweet.

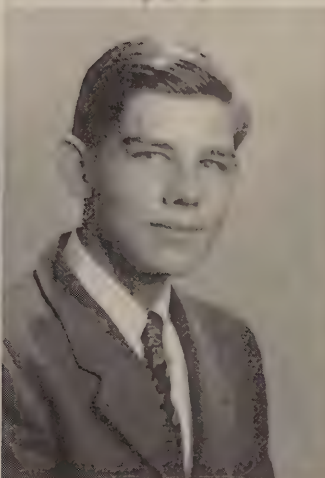

OLIVE WHITE

Quiet as a mouse is Olive White;
You'd hardly know she was in sight;
She's our friend—that we all know,
And that's the reason we like her so.

Anne has a lovely voice,
Not to mention a lovely face;
She would be a standout,
Not only here, but any place.

HELEN WINTER

She's neat and sweet and everyone's pal;
She's really a character, really a gal.
She'll find a place in the heart of you.
Do you know who we mean? Of course you do.

RAYMOND WRIGHT

Raymond, though quiet,
Has the kindest heart;
It makes him liked by us all
And sets him apart.

BLANTON ZIRKLE

Blanton's grand in studies,
But he would much rather tease;
There's not a sense of humor in the world
That Blanton couldn't please.

THOMAS ZITTA

He always has a bright remark
On hand at any time;
Thomas is one who's sure to make good;
His ambition will help him climb.

CLASS HISTORY

RELEASED BY
THE
SENIOR CLASS
1947

SENIOR CLASS HISTORY

• The long awaited day came on September 11, 1943, when we first entered the halls of Highland Springs High School, scared from head to heels because we were now verdant freshmen.

• Becoming acquainted with our new friends and various activities, we realized we were not only "pea-green freshmen" but were now a part of the school. We later learned what time the lunch bell sounded, heard many details about Miss Koch's office, and rejoiced when the announcements read, "There will be an activities period today."

• We were pleased to know that we had a new principal, Mr. Brooks, whom we grew to love and respect as a true adviser.

• Gay young sophomores! Yeah, that's what we were when we returned the following year feeling like Highland Springs was an "old familiar." This year we felt a little superior because we could choose our own subjects and have a different teacher for each class.

• The Beta Club was organized, and many of our fellow classmen were honored by a tapping ceremony which took place at the beginning of spring.

• Then, too, May Day flew off. We were pleased that many of our classmates took part in this event.

• In June we were proud to know a great improvement had been made in the 1945 annual, and we hoped in the years to come that even greater strides would be made.

• Jolly Juniors—that's what they called us, as the next year came forward. To us this meant that we were upper classmen and were ready to begin an exciting year.

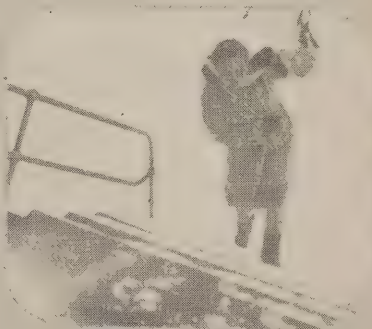

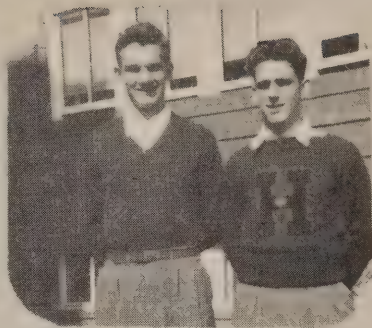

• We organized on October 24, 1945, with Mrs. Marks as our active Sponsor; Eugene Stewart, President; Skippy Gammon, Vice-President; Phyllis Nixon, Secretary; and to David Lee we gave our pennies.

• The Junior Bazaar, our first activity, swung off on December 15, and added a few more dollars to our account.

• After days of planning and excitement, that wonderful Junior-Senior Prom came forth, March 9. We'll never forget the hula girls, the leis, and most of all how we prompted Hill when he forgot his part. We felt this dance was a huge success and the Seniors seemed to have a "superlative" time.

• Before the close of school, we held our last Junior Class meeting and elected our Senior officers for the following year. To Bob Anderson we gave the job of President; Ted Troy, Vice-President; Alice Lee Harrison, Secretary; and Eugene Stewart, Treasurer. We thought of our Annual, so we elected Skippy Gammon Editor-in-Chief and Hill Carter, Business Manager.

• At graduation the candlebearers and ushers loyally stood by the Seniors and bade them a joyous farewell, but we gladly took their title . . . Seniors!

- Returning to school in '46 as Seniors, we found that the school had been painted, and it really looked grand. There were many new teachers with whom we had to become acquainted.

- Being Seniors made us feel that the end of our school days was nearing and we would sense the dignity within us.

- We were daily isolated during homeroom periods in "Paradise Lost," where many happy moments were spent.

- Organization took place September 25, 1946, and Miss Waring and Mrs. Howard were elected as our co-operative Sponsors. They greatly inspired our class and were always willing to lend a helping hand. Since Bob Anderson, who was formerly elected Senior President, didn't return, Vice-President Troy took over, and Jeneen Baker was elected our new Vice-President. Hill looked after our financial affairs, while Skippy made plans for our Annual.

- When our football team was asked to play in the "Tobacco Bowl Game," we Seniors felt honored, for this was our last year, and our team had been a great success during the whole season. "Junie" was the highest scorer in the county and we felt very proud of him.

- Just what would we have done without Mr. Rotella to show partiality toward us? No kidding! he was a big help with our football programs in the Tobacco Bowl game.

- Selling those hot dogs was a big job, but they really

brought in the profit. The drinks were refreshing and the cost of candy was distressing.

- The Junior-Senior Prom came on the fifteenth of February, and we were so excited, because it was something we had long looked forward to. We thank the Juniors because we had a "super" time and everything was arranged very attractively.

- "The Sunshine Twins" went over with a bang and our cast was superb. Ann and Johnny kept the audience in stitches with their many pranks. Without Mr. Safrit's unselfish time, our play could not have been as big a success as it was. Realizing our Annual would cost a huge sum, we proudly stuffed our money-bags with the play profits.

- Our banquet . . . how could we forget? It was an affair we had dreamed of, but when we turned our rings we felt the end closer, and with "Highland Springs there is none to compare."

- Graduation rolled around; our announcements had been sent, the invitations were distributed among our friends and families, and our caps and gowns were ready to be worn another cherished year, 1947.

- As the open world receives us and we gallantly stroll apart, we want you to know that our Alma Mater, Highland Springs, will linger forever in our hearts. Alma Mater, "Fair play is our motto and never to yield."

JUNIOR CLASSES

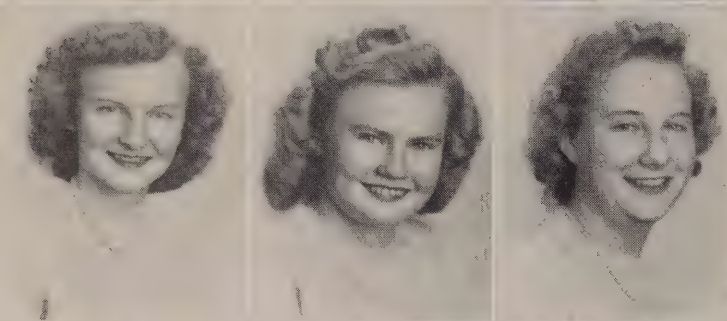

We, the Juniors, can remember the first glimpse of our large class—eager and beaming. Since we were such a large class, we operated on a representative system, having a representative from each Junior homeroom. Under the capable leadership of our President, Mary Tucker; our Vice-President, Rose Femiani; our Secretary, Joe Pack; and our first semester Treasurer, Jack Culbertson and second semester Treasurer, Lee Conner, a spark of incandescent hope was instilled into the entire class. • Supplementing our class dues, we sponsored the Bobby Sox Party. Oh! what fun we had and how dirty our sox got! It was a great success, as both students and faculty can testify. • That night of all nights, February 15, the Junior-Senior Prom found the gym in utmost beauty. The cupids with their bows and arrows, the many, many red hearts, and over the heads of the joyful crowd were red and white streamers which made a very impressive and never-to-be-forgotten sight. How charming each one looked in his tux and her swinging evening gown, as they marched in the figure forming a huge heart. A great feat had been accomplished by long hours of preparation regarding work which was fun. • Ordering rings presented much excitement, anticipation, and also a financial headache. • Our candlebearers proudly lighted the way for the "grand old Seniors" on their way into the wide, wide world. • We look forward to next fall, when we walk in the doors and take the seats of our former Seniors.

Springers Conquer Chester 13-0

Highland Springs pushed over two first-half touchdowns at Highland Springs to defeat a fighting Chester High eleven, 13-0, before 1,000 fans. The Springers took the opening kickoff and drove 60 yards to score the first touchdown, with Junie Needham racing around right end for the tally. The Springers played consistently between the Chester 45 and 25-yard lines in the final period, but the game Chester club fought back each time to prevent further scoring.

HIGHLAND SPRINGS INVITED TO PLAY IN THE TOBACCO BOWL GAME

Highland Springs High Holds Glen Allen to a 6-6 Deadlock

It was an honor to receive a bid to play in the Tobacco Bowl football game, an event that each and every one of us will always remember. Highland Springs High displayed splendid school spirit and remarkable football playing. The big game, sponsored by the civic organization of the city, was played on Pearl Harbor Day, December 7, 1946. It was the first game to be played in the Tobacco Bowl since 1942. • The Pearl Harbor Day ceremonies at the half of the eventful game were very impressive. Before 8,000 people the Fork Union Cadets, together with those of Richmond high schools marched and the band followed playing the National Anthem. Governor Tuck and high army officials were presented. There was a chaplain's prayer in remembrance of Pearl Harbor Day and the ceremonies were concluded with the playing of taps.

IN APPRECIATION

As we close our 1947 edition of the "Highlander," we hope we have presented a well-rounded picture of school life at Highland Springs.

Our task could not have been completed had we not had the cooperation and services of many individuals and groups. We owe our thanks to them. We acknowledge with sincere appreciation the services of the following:

To the members of the "Highlander" staff we are perhaps the most grateful for their time, effort, talent, and their many hours spent tearing hair and chewing pencils.

From Caffey's Studio, Richmond, came Mr. Dryer with his personal interest and patience making our picture sections what they are.

We have been fortunate indeed in our business relationship with Whittet and Shepperson, Printers and Engravers. We want to mention especially Mr. Stirling King for his fine advice and friendship.

To the Art Guild, Richmond, go our heartiest thanks for the use of Frugal McDougal appearing throughout our book. We acknowledge our debt to the Virginia Transit Company for making this use possible.

To our advertisers go thanks for the ads appearing in our book. May these ads help their services as they have helped finance our book.

Mr. Rotella, we thank for his interest in the Senior Class and for the valuable services rendered by him.

Miss Waring, our chief adviser, was never too busy to help us with the problems which confronted an inexperienced staff.

To Mrs. Howard, adviser, for her friendly service and valuable aid with our write-ups, we give our thanks.

We are grateful to Mr. Safrit for his patience and enthusiasm in coaching the "Senior Play."

Without the untiring effort of each senior, this 1947 "Highlander" could not have been presented.

And last, we thank the members of the student body and administration for their cooperation and interest in the "Highlander" of 1947.

What to do after graduation

Choosing the right career to follow after high school days are over is a problem faced sooner or later by every girl in the senior class.

For many past graduates, telephone work has offered most of the things a girl looks for when seeking a place in the world: pleasant associates . . . clean, wholesome surroundings . . . high pay . . . regular increases and opportunities for advancement . . . paid vacations . . . the knowledge that the work itself is important and interesting.

There's a wide variety of opportunity for girls after graduation in many types of telephone work—as operators, stenographers, typists or clerks. The telephone company is “a friendly place to work.”
